Flutter Developer | Full-Stack Developer (MERN + Next.js) |  Portfolio: <https://aadil.chillingon.com>

Professional Summary

Motivated and detail-oriented Mobile & Full-Stack Developer with 1.5 year(s) of hands-on experience building high-performance applications using Flutter, Next.js, Node.js, and MongoDB. Experienced in developing scalable E-commerce systems, B2B platforms, admin dashboards, and interactive 3D model customization apps. Skilled in AI-assisted development and clean, modern coding workflows.

Actively seeking new opportunities to apply my expertise, contribute to impactful projects, and grow in a challenging development environment.
